N.-C. Daily News. THE ANTI-FOREIGN OUT-BREAK IN CHINA THE IOHANG RIOT.

HELPLESSNESS AND CONNIVANCE OF THE

OFFICIALS. We are indebted to the N.-C. Daily News for the following reports:-(FROM AN EYR-WITHESS AND SUFFERER.) For several months a riot at Ichang has been feared by those having access to reliable sucress of information, yet at 0.30 r.m. on Wednesday, 2nd September, it came like a thunderbolt from a clear sky, taking the most wary by surprise, and the programme was catried out with a thoroughness and dispatch which are altogether unprecedented. There was no indication of danger until the signal of attack was given, and in twenty minutes all was over. Nothing was left to chance; everything was carefully planned and in no sense can the Ichang riot be attributed to popular excitement or the rash act of a European. The pretext for collecting a growd was cumingly devised. On Tuesday, 1st September, a child was brought to the Roman Catholic Convent, and the ordinary papers

were duly signed making it over to the

Sisters. The child was represented to be

girl (only girls were received at the Convent), and when it was discovered to be a boy, the circumstance caused some uncasinesa On Wednesday meening parties appeared at the Convent decisition their child had been stolen, and mying it was within. In due course the child was produced and delivered to the claimants. Meanwhile a crowd had collected but nothing serious was suspected, although, as was proper under the circumstances, information was sent to the Magistrate. But_ the ringleaders had also gone clamouring to the vamen, callecting the dregs of the city of 14th August :- We have to inform you as they went along. Instead of shutting the vamen doors and keeping all parties concerned under restraint wetil the case was investigated, the Magistrate with his runners and body-guard proceeded to the Convent, taking the crowd from the city along with him. The military commandant of the rank of Chental, was also on the scene with a large number of midiere and some show was made of protecting the Convent. All at once a rush was made for THE prizes won at the V. R. C. Annual the house in the adjoining compound be longing to the American Episcopal Mission. The gate was smashed in two trumpets ing. The ceremony took place at the were blown, and a man beating his breast shouted out: Come on brothers, slay the
